

Dress Standards

General

- Dress standards are simple - Members, their guests and all visitors are to wear tidy, clean and appropriate clothing on the Course and in the Clubhouse at all times. Clothing in a state of disrepair is not acceptable.
- Clothes that are worn on the Course may be worn in the Clubhouse provided that they are dry, neat and clean. Caps or hats are not to be worn in the Clubhouse.
- Members have the responsibility to ensure that their guests accompanying them on the Course or in the Clubhouse meet the dress standards.
- The Club Committee, Club Professional and his staff and the Club Management are responsible for the adherence to these rules. Any concerns should be addressed to these people, who will then undertake the appropriate action.

STRICTLY NO DENIM ON COURSE

Have a look at your playing partners and how they are dressed and ask yourself, are my playing partners dressed appropriately?

If they aren't, maybe you should mention something to them. You compliment their golf, why not compliment their dress as well. If you see anyone on our course and you don't think their dress matches these photos you need to let someone know after your game.
