The Venue

Corporate Golf at Latrobe

Latrobe Golf Club has always been a favourite venue for companies and social groups to entertain clients in the perfect environment for combining business and pleasure. ***Mondays and Thursdays*** are available for visiting groups with a range of tailor made packages to enjoy the wonderful atmosphere in our dining area before and after venturing out to challenge yourself on Latrobe's magnificent layout.

Latrobe is set out on lush parklands surrounded by the Yarra River and the course is of championship standard and only 8 kilometres from the city. Measuring 6062 metres with a par rating of 72. It consists of four par 3's, ten par 4's and four par 5's.

Latrobe's History

Latrobe Golf Club takes its name from Victoria's first Governor, Charles La Trobe, who in the 1840's was said to be a regular visitor to the historic mansion, 'Lucerne', which was situated near where the clubhouse now stands. Golf was first played on the site in the 1930's on a nine-hole public course that began from Roemer Crescent, above the current seventh green.

In November, 1939, a group of interested golfers formed a private club and registered the name Latrobe. The war years soon intervened however and, although the Club survived, it did so only barely. In 1948, led by an influx of social golfers from the Northcote RSL, the Club enjoyed a revival, so much so that its official records date from that year.

Another major change came about in 1959 when a new clubhouse was built on the current location and the course begun from Farm Road. Latrobe also staged several professional tournaments throughout the late 1950's and early 1960's.

The new course layout was opened on March, 1, 1975.
