### THE STRUCTURE OF LADIES GOLF IN QUEENSLAND!

### Ah!! THE ZONE!

Horton Park Golf Club is represented in the North Coast Zone, of the Wide Bay District, which entails 50 Clubs overall. Our club is very fortunate to have one of our members as the Zone representative in the District. Clem Sutherland is the voice of Clubs in the North Coast Zone, and presents any concerns the local Ladies Captains may wish addressed by Golf Queensland, and further to Golf Australia. The position of Zone Representative is held for a period of 3 years.

## THE INVESTIGATOR.....

## CLEM SUTHERLAND—ZONE REPRESENTATIVE

A country girl! From Richmond in North West Queensland, raised on a cattle property. Clem has a coloured background—she used to be a Jockey, has crutched & sheared sheep and holds a Pilots License. She has lived on the Sunshine Coast since 1996. Has 2 daughters & 1 son.....7 grand children

*How long have you been playing Golf?* 35 years, (started late)

*When did you join Horton Park?* 1997.

*How long have you been Zone President?*

My 3rd year, its an allocated term.

*What does your role entail?*

Represent the voice of Horton Park ladies to the Zone.

*What is most challenging about the role?* The rain we had throughout the year,

reallocating pennant matches—the Zone felt the games should be played and not just allocate the teams points. Also more ladies should step up and participate in this side of the game.

*What is most enjoyable about the role?* The opportunity to experience the hospitality offered by other clubs to join their Open and Invitation Days. Meet some lovely ladies through the pairings of players. I encourage everybody to participate. It is a great experience to assist in the running of different events in the Zone.

*Future of Women's Golf?* Strong in Queensland. *Our Club?* Very strong, great club, very harmonious.

*Proudest moments in Golf?* I love seeing the Club winning events, and I try and support them wherever possible.

*Best Handicap?* 12 *Currently?* 19 *Ambition?* To achieve that ever elusive HOLE IN ONE!
