Dear Parent / Caregiver

We are calling for **expressions of interest** in an exciting opportunity that we **may** be able to offer our students next year.

We are looking at the possibility of running a “Tennis High Performance” program in partnership with Pure Tennis Academy. The program would be held predominately at the FHTC courts, and offered exclusively to Ferry Grove State High School students.

### Organisation of the program. In 2010:

Year 8, 9 and 10 students:-

- ❖ “Tennis” students would be placed in the Health and Physical Education – Representative Sports’ line (details of timetabling to follow)
- ❖ For 2 of their 3 HPE lessons per week, they would receive squad-based training from the “Pure Tennis Academy” coaches.
- ❖ In consultation with parents, students could attend ‘before and / or after hours’ training sessions

Year 11 and 12 students:-

- ❖ Scheduled training in school time will depend on the numbers of students joining the program and their subject selections.

### Course Overview

Each term the “Tennis” curriculum will deliver structured, progressive and comprehensive training in the following subject area’s...

Technical (including Video analysis), Tactical, Physical (including strength and conditioning),

Psychological, Qualifications (complete tennis coaching and refereeing qualifications, school based traineeships possible), Tournament Preparation.

A report card on your child’s progress will be issued at the end of each term.
