### From the Captain

It is great to have some cooler weather even if it is not going to last too long. Much easier to play golf this week.

Winners this week –

Kim Bradford – our new swinger – has had the best score and wins a voucher.

Runner up was Nan Crump

Balls were won by Verlie Hall

Barbara Hinton  
Belinda Blaxland  
Jill Grundy  
Dallas Winnem

Well done all the above players.

Please note, some of you are still playing off wrong handicaps. You might be confused with some of the handicaps. If you are on, e.g. 35.5, your handicap is 36. Once you go to something point 5 it goes up.

If you are having trouble scoring please look me up on Tuesdays. I am always there to help.

You will all have received your annual subscription fees renewal by now. Your fees have risen slightly but are made up as follows:

Full amount is \$230 covering –

\$70 Bar Credit  
Complimentary 3 course dinner  
\$25 insurance  
\$85 is for trophies and balls during the year.

There have been some queries from swingers who joined mid year or later. You still have to pay the full amount. It is not done on a pro rata basis because the whole amount comes back to you and the Club does not retain any money.

This is different to full membership of the club which is pro rata'd.

I hope this explains things to you.

Now for some great news – There is some money left over from last year's Swingers and we are offering all of you a FREE CLINIC. Please ring Danny to book yourself in. Don't miss this opportunity.

Play well and enjoy.
