

Safety and Sea Survival Certificate 2010

Racing and Cruising – Sail and Power

Yachting Western Australia will be conducting courses for the Yachting Australia Safety and Sea Survival Certificate on:

| | | | |
|-----------------|----------------------------------|--------------------------------|---|
| April: | Sat 17, Sun 18 | 08:00 – 17:00 | Mandurah Offshore Fishing and Sailing Club * |
| May: | Sat 08, Sun 09 | 08:00 – 17:00 | Esperance Bay Yacht Club * |
| June: | Sat 19, Sun 20 | 08:00 – 17:00 | Hillarys Yacht Club |
| August: | Sat 07, Sun 08 | 08:00 – 17:00 | Port Geographe Marina * |
| October: | Mon 04, Tue 05, Wed 06 Sun 10 | 18:30 – 21:30 08:00 – 17:00 | RPYC Challenger Harbour Fremantle |
| November | Sat 27, Sun 28 | 08:00 – 17:00 | Hillarys Yacht Club |

The course is designed to develop your knowledge and skills for offshore racing and cruising, for the crews of both sail and power yachts. It complies with the requirement of the Racing Rules of Sailing Special Regulations 6.01 Training p. 253, and meets all the requirements for international recognition by ISAF. The course covers a variety of topics including safety procedures, flare demonstrations, wet drills and other safety equipment. Each participant will be assessed throughout the course and be required to complete a practical wet drill and pass a theory exam.

Course Fee: \$440 per participant (inc. GST)

Locations marked * require a minimum group of 10 for the course to operate.

Participant Requirements : Personal Flotation Device (PFD1), Harness, Wet Weather Gear, note taking equipment, towel, change of clothing and any other appropriate safety equipment. Your PFD1 should not be inflatable, or you will have to have it serviced and re-charged before you are able to carry it on a boat again.

The exam is on the Yachting Australia Special Regulations Part 1, as in the "Blue Book".
