

Members Draw Results

Friday 9th July

Even though his Dad and Uncle were at the Member's draw on Friday night young **Matt Haberman** was not. As you can't have anyone claim your prize by proxy Matt missed out on the BIG \$1500 JACKPOT!. I'm sure Matt is regretting the fact that he wasn't at the "Berg" to see his name come up. The jackpot now jumps up to \$1600 for this week so get down to the club this Friday night just in case it is YOUR name drawn.

Raffle prizes were evenly spread out at last. **Rob Blakis** won the \$60 meat voucher from Greensborough Gourmet meats which we were all a bit suspect about as his son Brenton is now selling the raffle tickets for the Club as part of a school project.

Kevin Haberman won the Walks 50% off voucher so at least one Haberman was a happy chappie.

Dean Wolfe won the dozen golf balls which he will have to collect from behind the bar as he had to leave before the raffles were drawn. Lucky for Dean he put his name on his tickets.

Judy Nicks was pleased to win the Golf Gift Pack which I'm sure she made use of when she played on Tuesday.

Sue McMullen won a lovely magnum of Shiraz which she says she will save for a special occasion. Well done Sue.

The Tatts Lotto voucher donated by Aris and Maria Volgaris was won by **Dorothy Nation** so hopefully she will be a BIG winner.

Finally the half dozen Crown Lagers donated by the Club was won by birthday boy **Ray Stewart**. Ray was a first time attendee and I'm sure he will now pop down to the club more often on a Friday Night.

Many thanks go to our regular donors for their continued support.
